

## Message from Editor in Chief of Thai Journal of Gastroenterology 2007-2013

---

*Dear Members,*

The mission of *Thai Journal of Gastroenterology (TJG)* is to provide readers with a broad spectrum of themes in Gastroenterology and Hepatology including the basic sciences, diagnostic imaging, endoscopic, interventional, therapeutic in diseases, and original articles. The editorial boards still work hard to achieve the difficult task. We have to say many thanks to our pharmaceutical colleagues who support and make this journal possible.

Finally, we would like to say congratulation to our recent graduates from passing the GI board examination. We hope they all will success in their ways and keep in touch with the Gastroenterology Association of Thailand.

**Duangporn Werawatganon, M.D.**  
*The Editor in Chief*
